

# Monterey County *Republican Party*

March 31, 2021

The Monterey County Republican Party provides is a critical service to this community. Thus, we felt justified in opening our office even before the initial relaxing of COVID closure rules and have kept it open throughout the remainder of the year, despite reinstatement of shelter in place dictates.

Our office was used throughout the elections by candidates and supporters of the Republican Party. People came in to talk and to donate; our promotional items were very popular. After the election, our office was used by the Recall Newsom volunteers as a base of operations. We had a continual stream of patriots come to our office to sign the petition.

We are still a critical business and we need to stay open. Our space is used for meetings and zoom events. Turning Point USA recently used our office for a recruiting program for the next generation of Republicans. Our office is open to local womens organizations such as MPRWF and SCMPRWF. We are in the midst of creating programs to seek and support candidates, to further election integrity, and organize effective voter registration programs. We are doing all of this with VOLUNTEERS.

WE AIM TO MAKE A DIFFERNCE IN MONTEREY COUNTY.
